Series A	Series B (repeated)	Session Descriptions
Location: Early Childhood Adventures, 100 Sweet Bay Ln, Royal Palm Beach, Florida		
August 8/15/24 5pm-7pm	January 1/16/25 5pm-7pm	Calm First, Connect Second During this time we will lay the foundation for the series which is to recognize our role as parents in our child's behavior. It is about the adult first, and the child second. Staying calm in those upset moments, along with how to build a healthy relationship with your child, are the big ideas for this session!
September 9/19/24 5pm-7pm	February 2/13/25 5pm-7pm	You Are Your Child's GPS We will explore ways to guide children to clear expectations, in an assertive and matter of fact way. We will also unfold the key to building intrinsic motivation in your child, so that he/she wants to do the right thing, not just for the praise or prize. It's the parents' job to help children navigate these roads.
October 10/17/24 5pm-7pm	March 3/13/25 5pm-7pm	Building a Willing and Resilient Child Wondering how to reduce those power struggles? This session will cover tips and tricks to gaining more willingness from your child, along with doing a deep dive into the world of feelings and emotions! This is one session you will not want to miss as there is so much to unpack!
November 11/14/24 5pm-7pm	April 4/17/25 5pm-7pm	Consequences 101 & Recap Punishment & consequences are not the same. Learn more about the power of consequences and the differences. Every parent wants the best for their child, but we often tend to fall short here because our own emotions get the best of us. We will also use time to recap the entire series and celebrate our own growth!
